About WORK180

WORK180 is a jobs platform with a difference. We are Australia's only job site which pre-screens employers based on their policies and initiatives around supporting women in the workplace. WORK180 turn down around 10% of employers who apply to advertise jobs, because they don't meet our criteria. WORK180 lists employer information which is not publicly available anywhere else, including amount of paid parental leave, support for equal pay, flexible working arrangements, employee engagement scores plus more.

Not only do female job seekers have access to a trusted and transparent job platform, but we provide employers with significant employer branding opportunities. Winners of the 2017 Victorian Innovation Minister's Diversity Award, 2017 & 2016 Tech Diversity awards in Media & Advertising, finalists in the 2017 Telstra Business Women's Awards, 2015 ARN Women in ICT Awards in the Innovation category, and listed as SE100 top Social Entrepreneurs and Innovators globally, WORK180 cofounders regularly participate in advocacy events on gender diversity, run community meet-ups and corporate panel sessions. WORK180 is working for women. Join the conversation by following us on social media or reach out to hello@work180.co with any enquiries.
